

*Juliet & Heather traveled to Portland, Tennessee in May to minister to 25 pastor's wives at their annual prayer*

**Springtime** brought several ministry opportunities for my prayer partner Heather and me. In May, we traveled to Tennessee where I presented six packed seminars and held two book signing events over ten days. Heather ministered through music and prayer. So many people were blessed by the music and ministry! We decided to hold an impromptu mini-concert on the final evening, followed by an amazing anointing and prayer service.

God awakened hearts through the messages of hope and healing. My presentation topics included "Identity in Christ," "Boundaries in Relationships," "Forgiveness," and "Breaking Agreements with the

Enemy." I shared my personal testimony and encouraged attendees to allow God to heal all areas of brokenness so they are free to live authentic, transparent lives.

In June, Heather and I were guest presenters at a Women's Ministries event in Marietta, Georgia. Topics included "Breaking Free From the Bondage of Bitterness" and "Boundaries and Sexual Sin."

Would you like to invite us to YOUR church or event? Weekend sessions and author visits available beginning in September 2018. Please contact Heather Clark for bookings: [heather@relevantlifesolutions.org](mailto:heather@relevantlifesolutions.org).

My memoir, *Same Dress, Different Day* is currently being translated into

Spanish and Russian! Book signing events help finance this effort. Schedule yours TODAY!

With appreciation,

*These dedicated teachers have not been paid since January 2018. Please help.*

### Story #1:

**Relevant** Life Solutions is not limited by geographic boundaries. Our ministry has officially expanded to Eastern Europe, where my mother planted a church in 1999 in Vaideiu, a remote Romanian village. At that time, the church was the only facility in the village with a well, a pump house and traditional bathrooms.

In 2012 the church expanded to serve the educational needs of students from three local villages. During the 2017-18 school year, 85 students attended. When the RLS team discovered the lack of funding and the fact that teachers were not paid since January, but continued teaching anyway, we were convicted and motivated to partner with this ministry. We want them to continue changing the lives of these precious children who are daily affected by addiction, abuse and neglect.

Joy Banks, one of our board members and professional web designer with a heart for children created a fabulous website for the school! RLS is committed to garnering support for this vital ministry. Please read more at [solidegloriaschool.org](http://solidegloriaschool.org).

### Story #2:

**She** keeps getting hit. Hard. First, her job. Then her car. Then the child support checks stop coming. Finally, the owner of her apartment decides to sell, so she is forced to think about moving. Without funds to relocate, repair the vehicle or pay the cell phone bill, her life is extremely challenging. "She" is a real person. I choose not to name her, because she represents so many other REAL moms who find themselves caught in the domino effect of similar situations.

Where do people go when every avenue appears to dead end?

Relevant Life Solutions is committed to lending a hand when folks find themselves in crisis. That "hand" takes many forms. Sometimes it's prayer support. Sometimes it's connecting someone with another person or resource. Sometimes it's being physically or financially present. RLS was able to send funds to keep the roof over this mama and her children. We are praying with her for work and thanking God for providing an honest friend to repair the brakes on her car. Once more, this woman has hope. Hope helps humanity get out of bed in the mornings. Hope keeps one foot stepping out in faith. Hope is powerful! Thank you for donating hope.

*"May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope."  
Romans 15:13*

### Story #3:

**RLS has 380 in our data base!**

If each person contributes just \$20 a month (\$1.50 per day) to our ministry, we will have \$7,600 per month to sow HOPE in the lives of hurting people. Currently, we have 5, yes FIVE people who regularly contribute to Relevant Life Solutions. Would you consider sowing some consistent seed money into our work so we can continue to GROW?
