How do you and I help someone facing a life changing crisis in a relevant and effective manner? It's not easy. It takes commitment and consistency to be able to really show comfort and care.

Each one of us has experienced overwhelming pain and grief as a result of either loss, abuse, rejection, neglect or discrimination. Over the past 10 years, a relevant and effective tool, in the form of a web site, has been compiled to help people facing a personal crisis. The name of the web site is:

www.relevantlifesolutions.org

It has an unbelievable amount of articles, audio clips, videos, resources and links to other web sites that are specifically selected to help people who are over stressed, depressed, grieving, lonely or emotionally broken. It also has a telephone helpline and a facility to forward prayer requests to a prayer team.

This relevant tool can help you partner with the mission of Jesus Christ to clearly stated His Mission in Isaiah 61:1-2:

Â 1 The Spirit of the Sovereign LORD is on me,
Â Â Â Â Â because the LORD has anointed me
Â Â Â Â Â to preach good news to the poor.
Â Â Â Â Â He has sent me to bind up the brokenhearted,
Â Â Â Â Â to proclaim freedom for the captives
Â Â Â Â Â and release from darkness for the prisoners, to comfort all whoÂ Â Â Â Â mourn . . .

May God richly bless you as you consider increasing your awareness of what people around you are facing from day to day. We welcome suggestions, feedback and partnerships with similar ministries.
