

Relevant Life Solutions - Empowering people through connecting and sharing resources. Real people. Real connections. Real resources.

DEAR FRIENDS,

As we near the close of another year providing relevant solutions to people in need, I want to warmly thank you for your prayers and financial support in 2025. As I share our current needs in this newsletter, I invite you to include us in your year-end giving, or even better, become one of our monthly contributors so we can wisely budget for 2026. The needs are great and we'd like to expand our giving capabilities. Thank you for considering RLS' ministry in your continued support.

"I HAVE SHOWN YOU IN EVERY WAY, BY LABORING LIKE THIS, THAT YOU MUST SUPPORT THE WEAK AND REMEMBER THE WORDS OF THE LORD JESUS, THAT HE SAID, 'IT IS MORE BLESSED TO GIVE THAN TO RECEIVE.'"

Acts 20:35 NKJV

HURRICANE HELENE VICTIM CELEBRATES NEW HOME

When trees uprooted all around her North Carolina property, Janice (not her real name) fell to her knees and prayed for her life to be spared. Her car and home were crushed and she was trapped alone inside for hours that turned into days. Finally rescue workers heard yelling from an open window and were able to locate her.

Janice's life, but He has provided another home, a vehicle and hope in her heart that gives her strength to continue rebuilding her life.

Kind hearted supporters, through Relevant Life Solutions have helped Janice replace her computer and purchase a refrigerator for her new kitchen. Now we are asking for \$1,000 to provide a bed and help with her needs via Amazon Wish List as she prepares to move in soon. Please pray for Janice and consider helping her with the

final touches she needs to feel at home again after being displaced by Hurricane Helene.

For an entire year, various people have opened their homes to Janice. She was unable to receive any assistance from FEMA, but God has His own network of helpers. He not only spared

KATYA SHARES JESUS IN UKRAINE

Children from difficult situations in rural Ukraine are blessed to have someone who loves them enough to care for their physical and spiritual needs in the midst of ongoing war. Katya says, "I feel closer to God when I serve others." She has made

it her mission to provide food, crafts and Christ-centered activities as part of the children's church in her village. She also seeks to give them field-trip-like experiences they would

otherwise never have. Although Relevant Life Solutions sends \$60 per month to support Katya's ministry, we realize this is not enough to keep the project alive as the conflict drives up the price of food and supplies. As Katya has answered God's call to "feed His sheep," please consider partnering with RLS to assist Katya in keeping this desperately needed ministry thriving by donating today! (\$300 p/m = \$3,600 yearly)

ANOTHER BUS BITES THE DUST!

One of our ongoing ministry projects is supporting the Soli Deo Gloria School and refuge for children in rural Romania. Relevant Life Solutions recently purchased a new (used) fifteen

passenger van to be used as a bus. Soon afterward, the school's other van was disabled in a crash. Thankfully, no students were injured! Repair costs were excessive and dipped into the school's budget. So, in addition to our monthly support toward teacher salaries, we are soliciting funds to provide transportation fuel for this school year. Would you join us with a consistent contribution toward our goal of \$1,000 per month? You can contribute to this project directly through our website using the QR code below, or going to relevantlifesolutions.org.

TEAMING-UP FOR RECOVERY AWARENESS

Speaking on the topics of addiction recovery, forgiveness and the power of God to redeem lost dreams is the highlight of my ministry. Recently I teamed up with Laura Lee Cummings to present a Recovery Awareness Weekend at a church in Florida. The Holy Spirit touched hearts and moved in powerful

ways to bring hope to the brokenhearted through recovery tools and our personal testimonies.

If you'd like to schedule me to speak at your church, retreat or event, please contact me directly at info@julietvanheerden.com.

JULIET SPEAKING

Friends, lately I've personally been under attack. The devil has certainly taken very seriously his job description to "steal, kill and destroy." I've been emotionally, physically and spiritually down for so long I've almost forgotten my own ministry tag line, "God redeems the dreams we thought were lost."

Recently, God brought some disjointed words to mind as I woke from a difficult sleep: "Standard" and "Flood." As I rushed off to school, those words

disappeared into the vortex of my day. That afternoon, five minutes into the podcast I was listening to on my way home, the guest shared Isaiah 59:19. I burst into tears as these words filled my car: "When the enemy shall come in like a **flood**, the Spirit of the Lord shall lift up a **standard** against him.

God is clearly communicating. He wants me to know He's aware of the enemy's attacks. The verse says, "When" not "If" the enemy comes. The attacks are inevitable, but the promise and power of God is also certain. I desperately needed that reminder. I needed to feel God shaking me by the shoulders saying, "Girl,

I've got you. My Spirit is hard at work here. I AM driving back the devil. Don't give him a foothold by agreeing with doubt or fear or anything else he holds in front of you as bait. I AM your intervening, protecting, powerful GOD!"

The great news is, He's not just mine, dear friends. He's yours, too. Be encouraged today. When your enemy comes in like a flood, the Spirit of the living God is intervening with authority and redemption. Hold on! Don't give up! God is fighting for us in this season!

With love,
